

DOORBRIM™ DOOR CANOPY

Features & Benefits

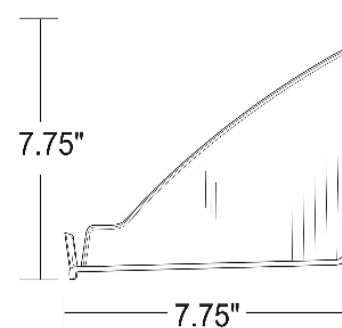

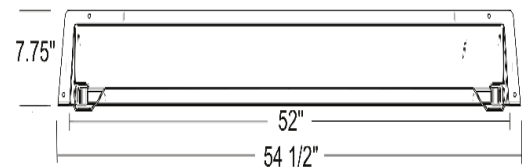

A dripless front gutter diverts water and keeps doorways drip free.

Prevents premature and costly repairs by stopping leaks.

Extends the life of doors, jambs and hardware.

- **MATERIAL:** Made from durable ABS plastic.
- **FINISH:** Factory finished with Sherwin Williams Polane-T with UV inhibitors.
- **FASTENERS:** (Optional) stainless steel concrete screws and washers.
- **COUNTRY of ORIGIN:** Made in USA. (splice bracket used for extended width configuration is imported.)
- **MOUNTING:** Easy installation with 7 pre-drilled 1/4" holes.
- **WARRANTY:** 3 year limited manufacturer material warranty.
- **SHIPPING:** Ships within 2-3 business days.
